

GFATM 7th Round Application Planning Meeting Minutes

(multi-sectors)

Time: April 24, 2007, 13:30-18:00

Place: 8th Floor Meeting Room, Beijing Xiaoxiang Hotel

Attendance: attached

The meeting has been chaired by Yu Dongbao, Director of Planning and M&E division of SCAWCO. Firstly, he has introduced the background of GFATM and present implementation situation of successively applied 3rd, 4th, 5th, and 6th round GFATM projects. Liu Ping introduced the preparation of application. Then, the leaders from multisectors discussed the relevant issues. And the consistent agreement has been attained as below:

1. They came from the multisector related to National Nongmingong HIV/AIDS Prevention and Control Information Dissemination and Health Education Program nationwide. If the application need, they would like to provide offer.
2. It has been suggested to identify the implementation place. It may conduct the work both at receiving and sending areas, and the receiving areas should be the focus.
3. It has been suggested to add Ha Xiaosi who is from Ministry of Labor and Social Security and Qu Jing who is from CCT to the writing team.
4. It has been suggested GF7 should be in line with national HIV/AIDS focal work. GF7 working group should analyze the characteristics of HIV/AIDS projects first, and then, to identify the focal target population and concrete activities.
5. It has been suggested to focus on the prevention work and discovery and management of people living with HIV/ANDS.
6. Ministry of Labor and Social Security and Ministry of Structure could provide some relevant materials.
7. It has been suggested SCAWCO should be PR.
